SIR

Subject - Conversion of the post of a peon on Rs 10/- per mensem into that of a Laboratory Attender in grade Rs 12-1-15 in the Municipal High School, Chintamani

---

In submitting herewith copies of the resolutions passed by the Managing Committee, Municipal High School, Chintamani, and the Local Municipal Council on the above subject, I have the honour to state that it is necessary that the school should have a Laboratory Attender as the School has developed in size, having at present seven sections, and consequently the Science work in it has also increased It is only a question of converting one of the existing posts of peons on Rs 10/- per mensem into a graded one on Rs 12-1-15 Both the bodies referred to above have agreed to the proposal and necessary provision is stated to have been made in the budget of the school for the current year on account of the extra cost involved

In the circumstances, I recommend that sanction may be kindly accorded to the conversion of a peon's post on Rs 10/- per mensem in the above school into that of a laboratory attender in grade Rs 12-1-15, the extra cost involved being met from the funds of the school

I have the honour to be,
Sir,
Your most obedient servant,

Pd/-
